### *Whereabouts Unknown & Bella Figura (Two One-Act Ballets Choreographed by Jiri Kylian)*

*The pioneer of contemporary dance, Netherlands Dance Theatre 1 retains its ranking as the leading contemporary dance company in the world today with its repertoire of innovative and prominent works.*

*The company will present two one-act works: Whereabouts Unknown, which is choreographer Jiri Kylian's exploration into the eternal question of where we come from, and Bella Figura which speaks of the sophisticated sensuality of adult relationships as well as the ambiguity of social correctness.*

*Choreographer Jiri Kylian is an icon and genius who has been bestowed with numerous international awards from Her Majesty the Queen of Netherlands as well as the governments of France, Germany, U.S.A., Austria and Czech Republic. He has choreographed award-winning ballets for leading theatres around the world apart from Netherlands Dance Theatre, where he presided as Artistic Director for over 20 years.*

*The two works Whereabouts Unknown and Bella Figura will leave striking images in the minds of the audience in Thailand.*
